MEDICAL PERSON IN CHARGE

Karina is nowadays a big name - if not the biggest name - for Expedition Medicine in Brazil. For the past 8 years she has been in more than 20 expeditions as the medical person in charge. Some of the expeditions/ sports competitions & events that she has worked for: Ecomotion Pro-- 600 km Adventure Race in the coast of Brazil

Brazil Wild Extreme Jalapão -- 600 km Adventure Race in the coast of Brazil

Ultra 135 – Ultra marathon 217 km Trilha de ouro Mt. Elbrus, Russia Commercial Mountaineering Expedition

Citroen Aircross Expedition: – Medical leader for a TV Series that was filmed in the wildest areas around Brazil for 60 days

American Climbers Team on Everest -- team Doctor Kilimanjaro mountain climb – Machame Route

VOLUNTEER DOCTOR

Since Karina is a doctor she has dedicated 1 month of the year to volunteering medical work somewhere remote. Some of the projects she has participated are:

Piaui Project in the Brazilian bushland

Sailing for weeks aboard a hospital--boat in the Amazon and affluent rivers

Rwanda Cure Blindness Cataract and Corneal Transplant Surgery project

Ethiopia Cure Blindness Cataract and Trachoma Surgery project

Uganda Edition – Internal Medicine

Nepal after the earthquake – 1st aid, trauma and emergencies

Zanskar Dalai Lama Hospital Foundation

Kilimanjaro Orphanage Centre – Tanzania

Fiji - PUC medical mission in Mana Island

MILITARY MEDIC INSTRUCTOR

Karina Oliani has participated in many of the Military Forces Special Projects due to her Wilderness Medicine pioneer knowledge.

From the extreme arid and hot environments to the dense Amazon humid jungle she has taught and participated in more than 10 different rescue / military first aid and medical courses.

OTHER ACTIVITIES

- MOUNTAINEER: KARINA HAS SUMMITTED THE EVEREST FROM BOTH THE SOUTH AND NORTH FACE.
